

Sign up to sell these plants and we'll tell you who's growing them. We've purposely picked just a handful of bird-friendly native plants so landscapers & gardeners can add new plants to their collection each year while growers prepare for future years. Selections and cultivars of these species are fine. These plants grow well in all regions of North Carolina, unless otherwise noted.

2015 Bird-Friendly Native Plants of the Year

Eastern Blue Phlox <i>Phlox divaricata</i>	Switchgrass <i>Panicum virgatum</i>	Eastern Red Cedar <i>Juniperus virginiana</i>	<i>Piedmont Alternatives</i> Cross-vine <i>Bignonia capreolata</i>
Threadleaf Coreopsis <i>Coreopsis verticillata</i>	Virginia Sweetspire <i>Itea virginica</i>	Trumpet-creeper <i>Campsis radicans</i>	Overcup Oak <i>Quercus lyrata</i>
Eastern Aromatic Aster <i>Symphotrichum oblongifolium</i>	Winterberry <i>Ilex verticillata</i>	<i>Coastal Plain Alternatives</i> Cross-vine <i>Bignonia capreolata</i>	
Purple Coneflower <i>Echinacea purpurea</i>	Spicebush <i>Lindera benzoin</i>	Overcup Oak <i>Quercus lyrata</i>	
Red Oak <i>Quercus rubra</i>	Downy Serviceberry <i>Amelanchier arborea</i>		

2016 Bird-Friendly Native Plants of the Year

Trailing Phlox <i>Phlox nivalis</i>	Black-eyed Susans <i>Rudbeckia fulgida var fulgida</i>	<i>Coastal Plain Alternatives</i> Indian Pink <i>Spigelia marilandica</i>	<i>Piedmont Alternatives</i> Shumard Oak <i>Quercus shumardii</i>
Lobed Tickseed <i>Coreopsis auriculata</i>	Fringe Tree <i>Chionanthus virginicus</i>	Shumard Oak <i>Quercus shumardii</i>	Scarlet Oak <i>Quercus coccinea</i>
Little Bluestem <i>Schizachyrium scoparium</i>	Ninebark <i>Physocarpus opulifolius</i>	<i>Mountain Alternatives</i> Fire Pink <i>Silene virginica</i>	Fire Pink <i>Silene virginica</i>
Smooth Blue Aster <i>Symphotrichum leave</i>	Sweetbay Magnolia <i>Magnolia virginiana</i>		
Wild Bergamot <i>Monarda fistulosum</i>	Wild Plum <i>Prunus americana</i>	Scarlet Oak <i>Quercus coccinea</i>
